

See Y'all In San Antonio!

The Student Assembly Board of Directors (SA-BOD) is excited to join the rest of the ASAHP membership for the 50th Anniversary ASAHP conference! Last year, the newly appointed students came together for the first time in person to present at the annual BOD meeting preceding the conference. This year, the students will come together once

again to present a year's worth of hard work that has led to immense progress in the mission to grow a nationwide ASAHP section for students, led by students.

Welcome to The Team!

As announced in the summer newsletter, the board is excited to welcome four new members! These members were selected out of a large pool of nominations from around the country. Each will serve a two-year term, with eligibility for re-election.

Look For Our Poster!

Curious about what we're up to?
Interested in starting a chapter
at your institution? Stop over and say hello
during poster session! We'll do our best to
answer any questions that you may have!

Our Mission

The mission of the Association of
Schools of Allied Health Professions
Student Assembly is to foster a
nationwide collaborative healthcare
community by providing all students
with opportunities for leadership,
professional preparation, and inter-
professional exposure beyond their field
of study and institutional affiliation.

“Tick Tock, Tick Tock”

Once again, the students will be
serving as moderators for the sessions.
Don't worry! We will be doing our very
best to keep those presenters on time!
